Mr. Vincent Ainsworth left on the noon train to-day for Mobile, where he will superintend the construction of the engine room of the new pilot boat. When she is put in commission he will be chief engineer. Mr. Ainsworth is a young man of fine attainments, and well deserves the excellent position to which he has been assigned.

The S. B. A. base ball boys met at the office of Chas. M. Coston last night and reorganized for the season by electing Mr. Coston manager and John Oliver captain. The boys will at once begin practice preparatory to meeting the Pensacola Athletic club team. Good ball playing is promised this summer.

The Christian, to be presented at the opera house to-night, is one of the strongest attractions that have appeared here this season. Saturday will be Veteran's Day at the DeFuniak Chautauqua and there is every indication that it will be the banner day of the session. The usual 50-cent round-trip excursion trains will be run from here and there will be plenty of cars for all who desire to go.

ST. PATRICK'S DAY.

How It Will be Celebrated by the Hibernians.

Division No. 1. Ancient Order Hibernians, will assemble at the hall at 7:30 o'clock a. m., and proceed to the dummy station to escort the Warrington contingent to St. Joseph church, where Solemn High Mass will be celebrated at 8:30.

The Catholic Clergy of Pensacola and Warrington, the marines and soldiers at the Navy Yard and Barrancas, all the Pensacola military companies, the Catholic Knights of America, all Irish-Americans, and other citizens who desire will be invited to participate in the parade.

The line of march will be as follows: East on Government to Palafox streets, north on Palafox to Wright street, south on Palafox to Government street, east on Government to Jefferson street and disband at the southeast corner of the plaza. The parade will be headed by a platoon of police.

A Thousand Tongues

Could not express the rapture of Annie E. Springer, of 1125 Howard street, Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the Universe." So will every one who tries Dr. King's New Discovery for any trouble of the Throat, Chest or Lungs. Price 50c. and \$1.00. Trial bottles free at W. A. D'Alemberte's Drug Store; every bottle guaranteed.

It is very hard to stand idly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as the child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by Hannah Bros., 21 South Palafox street.
